## Monthly Maximum Charge (MMC) for Overdraft Fees and Interest

To make comparing bank accounts easier for you, all banks and building societies are setting a maximum monthly charge. Each bank may charge a different amount, but all banks are explaining this to their customers in the same way with the same wording. This wording is in the box below.

We'll never charge you more than £30 each monthly billing period for interest charged on the amount you borrow using an Unarranged Overdraft.

### Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:
  - a. going overdrawn when you have not arranged an overdraft; or
  - b. going over/past your arranged overdraft limit (if you have one)
2. This cap covers:
  - a. Interest for going over/past your arranged overdraft limit
  - b. Fees for each payment your bank allows despite lack of funds; and
  - c. Fees for each payment your bank refuses due to lack of funds
